ATG[®] MEMBERSHIP BENEFITS

Attorneys' Title Guaranty Fund, Inc. (ATG) is a lawyer service organization. We support you, your clients, and your profession by helping you build your practice. We do this by providing a variety of products and services, pledging our advocacy, and committing ourselves to each member's success. ATG strengthens the profession and helps members build enduring relationships with their clients.

An essential element to this formula is the ongoing recruitment of outstanding lawyers and firms to become members. We invite you to arrange a meeting with one of our representatives and see how a small investment of your time in learning more about our current programs, services, and free start-up training can enhance and build your practice. Please complete the Meeting Request form below.

AND SERVICES

REVENUE | Issuing title insurance through ATG will enhance your law firm's services and improve your bottom line.
